LLR: "Walter Rude's father was Frank Rude and his mother was Martha West...but everybody called her Lily. Walter's father and Dwight Rude's father, William Rude [married Laura Curtis, sister of Harriet Curtis, the mother of Edith and Gertrude Gardner] are brothers. Walter's sister, Helen Rude, and Dwight at one time went looking up Rudes in the cemeteries."

SRP (Fall 1976):

Is it possible that the descendants of Earl Loomis (brother of Theron O. Loomis) are still living in the Loomis house beyond the Clinton Cemetery? ELL (p. 10) "Theron and Earl Loomis as young men formed a partnership in the lumbering business erecting a saw-mill to further their interest. The partnership was finally dissolved, Theron going to Carbondale to make his home, and Earl remaining on the father's farm which he conducted and also continued to run a saw mill."
